

Thank you for being our TSA Advisor. Last year was the first time I'd ever joined a club ever! I was really nervous and overwhelmed by the sheer size of this club and all the events it had. However you and Mr. Nowicki did a fantastic job leading us in our meetings and helping us get accustomed to the new environment we were in. Thank to you I've been able to meet tons of new people and make some great friends and some pretty amazing memories. From the bottom of my heart i want to express my greatest thanks!

Thank you for all the hard work you do, you have given us such an amazing opportunity to experiment and grow as students. All your effort and time is greatly appreciated and we will do our best to make it worth it.

As I've often said before, if it wasn't for you and Mr. Nowicki starting the chapter last year, I would not have continued my time in TSA. Being able to get 2 more years and a second chance at this has meant more to me than I could ever describe, and I personally feel I've gotten more out of these last 2 years than I have during the other 4 years up in Pennsylvania. Thank you for all you do as an advisor, I know it's not easy all the time; you have all of our gratitude, especially mine.

Thank you so much for being a TSA advisor!! As this being my first year, I came in very confused and had no faith that I could do anything. But with you always being there on the side to help when we all need it was truly amazing. I am so grateful for all of the opportunities that I and so many others have because you're here helping us. So thank you so much for everything you do, because it is deeply appreciated!
