### Boy Scouts of America (Troop 171, Carlisle, PA)

February 2016 - Present

- Eagle Scout
  - My project consisted of recording interviews with local veterans to hear their stories, in partnership with the Cumberland County Historical Society in Carlisle, Pennsylvania ([eagleproject.bradykondek.com](http://eagleproject.bradykondek.com)).
- Order of the Arrow (OA) Brotherhood Member.
- Arrow of Light Award (was in Cub Scouts since Sep. 2013).
- Have held numerous elected leadership positions within my troop:
  - **Webmaster** (*May 2020 - Present*) - Maintain and edit the troop's website to be up to date with all things happening and advertise our troop towards people looking to join a Boy Scout troop in our area. I also maintain the troop's electronic calendar, which is what we use to plan all meetings and activities. During my tenure so far, I redesigned the website to look more authentic and up to date under the hood (the original version of the site had not been updated in over 7 years), and am trying to introduce new electronic methods (ex. text alerts, form system for planning feedback, and redesigning the email list system) to make functions in the troop run much smoother. I also made a lot of useful resources more easily available to the troop, which were not previously before, through the website.
  - **Den Chief** (*November 2019 - November 2020*) - Assisted a den from the Cub Scout pack as they prepared to cross over into Boy Scouts. Served as a role model and mentor to them, assisted with den meetings, and encouraged Cub Scout advancement. Appointed to this position by my Scoutmaster and the Cubmaster of the cub pack.
  - **Senior Patrol Leader** (*March 2019 - September 2019*) - Responsible for the youth operation of the troop. Took charge of troop meetings, planning, and all troop activities. This is the highest-ranking position a boy can have in the troop.
  - **Acting Patrol Leader** - During this time, I was the acting Patrol Leader of my patrol, the Flaming Arrows. Our troop is split into two patrols, Wolverines and Flaming Arrows. In this position, I was the head of my patrol. I represented it in the Patrol Leaders' Council (PLC, where we plan events) and at scouting activities such as summer camp, as well as working with other troop leaders to make the troop run well.

## Brady Kondek Scouting Accomplishments

- **Assistant Patrol Leader** - I was the assistant to the leader of my patrol, the Flaming Arrows. I worked with him to make sure things within the troop and patrol ran smoothly and was there to fill in as Patrol Leader during any absence.
- **Scribe** - This was my first position in the troop. As Scribe, I was the "troop's secretary." I took note of discussions during the Patrol Leaders' Council (PLC), and also took attendance at every meeting.
- Have completed over 200 service hours.
- Mile swim award.
- Earned the respect of my fellow troop members, and troop leaders.
- Continue to still maintain membership with troop in PA after moving to Florida in 2021, and still actively participate every week.
